ITCD Staffing ADDENDUM #5

December 6, 2016

Dear CATS+ Master Contractors:

This addendum is being issued to amend and clarify certain information contained in the above named Task Order Request for Proposals (TORFP). All information contained herein is **binding on all bidders who respond to this TORFP**. Specific parts of the TORFP have been amended. The following changes and additions are listed below; new language has been underlined and marked in bold (i.e. **word**) and language deleted has been marked with a ~~strikeout~~ (i.e.; ~~word~~).

NAICS Code Requirement for Candidate MBE Subcontractors

The Department has received numerous requests from CATS+ Master Contractors for clarification regarding the requirement that candidate MBE subcontractors be certified for North American Industry Classification System (“NAICS”) Code 561320. **The Department is eliminating this requirement from the TORFP.** However, Master Contractors must ensure that their MBE subcontractors possess the expertise and experience required to execute the Scope of Work (SOW).

As a result of concerns expressed by CATS+ Master Contractors the Department is extending the proposal due date for this TORFP from ~~Friday, December 6, 2016 at 2:00PM~~ to **Friday, December 16, 2016 at 2:00PM.**

This Addendum is being posted to the Department’s web site for access by all CATS+ Master Contractors for Functional Area-5, Software Engineering, at the link:

The Department regrets any inconvenience you may have experienced as a result this action.
